Alert – Coronavirus Update

February 26, 2020

As you are likely aware based on current news reports, cases of coronavirus have emerged in several countries and travel advisories and quarantines are in effect in many locations. GRC’s management team is monitoring the situation closely and working with conference chairs to address the impacts of the disease on their conferences.

To date, we have moved and rescheduled all 16 conferences out of Hong Kong for the 2020 season as well as the 5 meetings that were scheduled to take place in Italy over the course of the next several weeks. The safety of our attendees is always GRC’s highest priority and we will continue to monitor the situation and its impact on the summer conferences.

We are hopeful that the virus will be contained in the next few months and plan to move forward with our summer season of conferences as scheduled, but GRC’s management team and Board of Trustees will continue to monitor the situation, and post additional information in the months leading up to the start of the season.

If you have any specific questions or concerns, please do not hesitate to contact us.

Alert - Calls from Individuals Claiming to be Affiliated with GRC Conference Venues

February 3, 2020

GRC attendees have received calls from individuals claiming to be affiliated with several of our conference venues. These callers are not authorized by GRC or the venue.

The caller asks for credit card information to reserve lodging. If you or your attendees are contacted by these callers, we suggest that you do not respond to the caller or supply any personal/credit card information.

If a GRC participant is attending a conference this summer and has registered as “on-site”, their lodging is reserved through GRC at the venue in which the conference is being held.
