

ALERT/SCAM REPORTED

GRC attendees have received calls and emails from individuals or businesses claiming to be affiliated with hotels in the area of GRC conference venues. Some claim to be authorized by GRC. These callers and businesses are not authorized by GRC. The caller asks for credit card information to reserve lodging. The emails are being sent by "Business Travel Management" with an attachment or link to a DocuSign document requesting personal information from you. If you or any other attendees are contacted by these callers or through such an email, we suggest that you do not respond or supply any personal/credit card information.

GRC does not authorize third parties to coordinate your housing needs at a conference. If a GRC participant is attending a conference and has registered as "on-site," his or her lodging is reserved through GRC at the venue in which the conference is being held.
