COVID-19 Protocols and Vaccination Requirements at the Bates College

GRC continues to monitor venue and state-wide practices and update this page as often as possible.

**GRC Current COVID-19 Policies and Procedures**

To ensure the safety of venue and GRC staff, and each of our GRC communities, there are a few COVID-19 policies and procedures to keep in mind before your travels.

- Currently, GRC is requiring masks in all GRC spaces and the COVID-19 vaccination and booster for all attendees and guests before attending the meeting.
- GRC recommends that you bring your own self-test kits to the venue to test when you arrive before joining to group to prevent any spread of COVID-19 through out the GRC community.
- It is important to know that should you test positive while on-site:
  - You will need to abide by the CDC recommendations regarding testing and isolation.
  - Unfortunately, GRC will not be able to provide you with a refund as once you are on site, GRC has incurred those expenses.
  - You will unfortunately, be unable to stream into the meeting has GRC does not have the capacity to do so.

While the policies listed below reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC above. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

**Additional Health and Safety Practices in Place at Bates College**

- Bates requires students to be fully vaccinated and boosted against COVID-19.
- Bates has a **no guest** policy for 2022. If you would like to have a guest stay with you, you will need to book offsite accommodations.
- All Bates community members, vaccinated and unvaccinated, must wear a mask while indoors.
- Due to COVID-19 and the safety of the Bates community, guests are not allowed.
- Hand sanitizing stations placed throughout campus
- Bates is emphasizing custodial practices including routine cleaning and disinfecting of surfaces and equipment.

**Maine’s Current Regulations and Information**

- Masks are not currently required, but highly encouraged.
- Information and updates from the Maine Department of Health can be found [here](#).
- Information regarding international travel to the United States can be found [here](#).
