Ensuring Attendee Safety
COVID-19 and Updates on your GRC
at BATES COLLEGE

How GRC is Supporting Your Health

GRC continues to monitor venue and state-wide practices, updating our venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2021 as needed.

As always, the health and safety of our communities are GRC’s highest priority, and we are working to ensure you’ll be able to join us safely and comfortably in 2021.

Bates’ Commitment to You

- Bates has extended Winter break for approximately one month and invite students to return to campus on Friday, Feb. 12, in time to complete two COVID-19 tests and receive results before the beginning of classes on Wednesday, Feb. 17.
- All students and faculty have consistently been tested throughout the semester.
- Bates requires face coverings in all indoor and outdoor areas on campus. Exceptions to the policy are: Eating outdoors and in designated indoor spaces when appropriate distance is maintained, working in private offices and when working alone in closed (or contained) spaces on campus & students spending time in their own residence hall room
- Hand sanitizing stations placed throughout campus
- Bates will be emphasizing custodial practices including routine cleaning and disinfecting of surfaces and equipment.

Maine’s Current Regulations
(as of March 11, 2021)

- Reopening Maine
- Indoor events limited to 50 people and outdoor events limited to 100 with social distancing regulations currently in place.
- Visitors will certify they have recently tested negative for COVID-19 in order to stay in lodging establishments and there will be increasing symptom checks at places where visitors tend to go.
  - New Hampshire, Connecticut, Vermont, New York, New Jersey, Rhode Island and Massachusetts do not need to follow travel restrictions to come to Maine.
- Face coverings need to be worn in spaces social distancing is hard to maintain such as, indoor public spaces, outdoor spaces like playgrounds, busy parking lots, lines for takeout and public transportation.

  - Information and updates from the Maine Department of Health can be found here.
