Ensuring Attendee Safety
COVID-19 and Updates on your GRC
at Bryant University

How GRC is Supporting Your Health

GRC continues to monitor venue and state-wide practices, updating venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2022 as needed.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC in their registration email. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

As always, the health and safety of our communities are GRC's highest priority, and we are working to ensure you'll be able to join us safely and comfortably in 2022.

Bryant’s Commitment to You

- Bryant University has announced plans to fully open its campus on June 1, 2021, with all employees working on site at its 428-acre Smithfield campus.
- University President Ross Gittell, Ph.D.; Provost Glenn Sulmasy, JD, LL.M; and Vice President for Student Affairs Dr. Inge-Lise Ameer reaffirmed plans for students to return to Bryant’s Smithfield campus for a fully in-person fall semester that will begin with classes on September 7, 2021 with continued health and safety measures in place.
- Custodial staff will be focused on deep cleaning activities on a regular basis in high use areas of campus. Hand sanitizing stations around campus. Masks are only required for those who are not vaccinated.
- Bryant will provide weekly testing for all students living on-campus, commuting to campus and all on-campus faculty.
- Guests are currently allowed, but must fill out health and wellness information on an app. and show app when arriving to campus.
- [Click here](#) for Bryant’s full detailed plan.

Rhode Island’s Current Regulations

(as of August 26, 2021)

- Indoor and outdoor catered events are permitted to open to 100% capacity.
- There is no longer a limit on social gatherings.
- If you are fully vaccinated you no longer need to wear a mask indoors or outdoors, except places like public transportation and congregate settings and hospitals. If you are not fully vaccinated, you still need to wear a mask and distance yourself.

- [Information on reopening Rhode Island here](#)
