COVID-19 Protocols and Vaccination Requirements at Colby Sawyer College

GRC continues to monitor venue and state-wide practices, updating our venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2022 as needed.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC in their registration email. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

New Hampshire’s Regulations and Information

- Domestic travel within the U.S. outside of New England no longer requires quarantine upon return to NH, although people are recommended to still follow CDC’s travel guidance, including wearing a well fitted face mask while traveling, practicing social distancing, getting tested 3-5 days after travel (with a molecular or PCR-based test), and limiting public interactions after travel (even if not required to quarantine).
- The New Hampshire mask Mandate expired April 16—Gov. said this will not limit private businesses or cities and towns from requiring masks.
