Ensuring Attendee Safety
COVID-19 and Updates on your GRC at Holderness School

How GRC is Supporting Your Health

GRC continues to monitor venue and state-wide practices, updating venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2022 as needed.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC in their registration email. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

As always, the health and safety of our communities are GRC’s highest priority, and we are working to ensure you’ll be able to join us safely and comfortably in 2022.

Holderness’ Commitment to You

- Holderness is planning to hold in-person classes in Fall 2021.
- Families needed to quarantine for two-weeks prior to returning to campus.
- Holderness community members -- students and adults -- will complete a health assessment that will include a daily temperature check.
- Currently allowing those who are vaccinated to be unmasked on campus.

New Hampshire’s Current Regulations
(as of August 26, 2021)

- Domestic travel within the U.S. outside of New England no longer requires quarantine upon return to NH, although people are recommended to still follow CDC’s travel guidance, including wearing a well-fitted face mask while traveling, practicing social distancing, getting tested 3-5 days after travel (with a molecular or PCR-based test), and limiting public interactions after travel (even if not required to quarantine).
- Reopening New Hampshire
- Mask Mandate expired April 16—Gov. said this will not limit private businesses or cities and towns from requiring masks.
  - Information and updates from the New Hampshire Department of Health can be found here.
