Ensuring Attendee Safety
COVID-19 and Updates on your GRC at Holderness School

How GRC is Supporting Your Health
GRC continues to monitor venue and state-wide practices, updating venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2021 as needed. As always, the health and safety of our communities are GRC’s highest priority, and we are working to ensure you’ll be able to join us safely and comfortably in 2021.

Holderness’ Commitment to You
- After completing our in-person fall semester 100% COVID-free, Holderness School is planning to offer in-person classes and housing in January for the Spring semester.
- Families needed to quarantine for two-weeks prior to returning to campus.
- Negative COVID-19 test needed to be provided within 3-4 before returning to campus.
- Holderness community members -- students and adults -- will complete a health assessment that will include a daily temperature check.
- Masks and face coverings will be required at all times in buildings and public spaces.

New Hampshire’s Current Regulations
(as of January 29, 2021)
- Effective 11/15 - Travelers/visitors to and residents of NH need to self-quarantine for 14 days following the last date of any high-risk travel, which includes international travel, on a cruise ship or domestically outside of the New England states for nonessential purposes.
  - Reopening New Hampshire
- On Nov. 19, Gov. Chris Sununu issued a statewide mask mandate requiring the use of face masks in all public places. The mandate took effect Nov. 20 and will remain in place until at least Jan. 15, 2021.
  - Information and updates from the New Hampshire Department of Health can be found here.
