COVID-19 Protocols and Vaccination Requirements at Holderness School

GRC continues to monitor venue and state-wide practices, updating our venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2022 as needed.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC in their registration email. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

Additional Health and Safety Practices in Place at Holderness School

• Holderness’ community members -- students and adults -- will complete a health assessment that will include a daily temperature check.
• Holderness is currently allowing those who are vaccinated to be unmasked on campus.

New Hampshire’s Regulations and Information

• Information regarding international travel to the United States can be found here.
• The New Hampshire mask Mandate expired April 16, 2021—Gov. said this will not limit private businesses or cities and towns from requiring masks.
• Information and updates from the New Hampshire Department of Health can be found here.
