

# COVID-19 Protocols and Vaccination Requirements at Les Diablerets

GRC continues to monitor venue and state-wide practices and update this page as often as possible.

## GRC Current COVID-19 Policies and Procedures

To ensure the safety of venue and GRC staff, and each of our GRC communities, there are a few COVID-19 policies and procedures to keep in mind before your travels.

- Currently, GRC is requiring masks in all GRC spaces and the COVID-19 vaccination and booster for all attendees and guests before attending the meeting. Masking is not mandated by the venue in public spaces, but it is required by GRC in conference spaces.
- GRC recommends that you bring your own self-test kits to the venue to test when you arrive before joining to group to prevent any spread of COVID-19 through out the GRC community.
- It is important to know that should you test positive while on-site:
  - You will need to abide by the CDC recommendations regarding testing and isolation.
  - Unfortunately, GRC will not be able to provide you with a refund as once you are on site, GRC has incurred those expenses.
  - You will unfortunately, be unable to stream into the meeting has GRC does not have the capacity to do so.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC above. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

## Additional Health and Safety Practices in Place at Les Diablerets

- All Les Diablerets employees are trained in the health protocols implemented by the FOPH and the Swiss Hotel Association.
- Les Diablerets rooms and common areas will be carefully disinfected regularly.
- Hand sanitizer is available in all public spaces, and door handles, stair rails and lift knobs are regularly disinfected.

## Switzerland's Current Regulations and Information

- Please [click here for the current guidelines in Switzerland](#).
- It is recommended that you carry proof of vaccination with you when you are traveling. For information on your eligibility to travel to Switzerland, please use the [Swiss Travelcheck website](#).
- COVID-19 Testing will be available on-site.
  - PCR saliva/spittle test will be available in the hotel at the rate of CHF 160- per test. They will be sent to a lab and guests will receive results via phone or text message.
  - The hotel can arrange testing (rapid tests and PCR) at the local doctors office. This is not a test center, so availability is restricted but the Front Office at the hotel team is happy to book your appointments. Please inform the Front Office Team at your earliest convenience upon arrival about your needs.
  - Tests are also available for those traveling at the [Geneva Airport here](#) and the [Zurich Airport](#) .
