COVID-19 Protocols and Vaccination Requirements at Les Diablerets

GRC continues to monitor venue and state-wide practices, updating our venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2022 as needed.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC in their registration email. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

Additional Health and Safety Practices in Place at Les Diablerets

- All Les Diablerets employees are trained in the health protocols implemented by the FOPH and the Swiss Hotel Association.
- Les Diablerets rooms and common areas will be carefully disinfected regularly.
- Hand sanitizer is available in all public spaces, and door handles, stair rails and lift knobs are regularly disinfected. Plexiglass protective shields have also been installed at reception.
- Since 20th of December 2021 only vaccinated or officially from COVID recovered guests are allowed to stay in the hotels.
- Masks are required in the hotel.

Switzerland’s Current Regulations and Information

- Currently, only people who have been vaccinated or recovered from Covid-19 are able to attend indoor events.
  - Click here for the current guidelines in Switzerland
- The Department of State has issued a Level 3 – Reconsider Travel Advisory advising U.S. citizens to reconsider travel to Switzerland due to COVID-19. More information can be found here.
- Masks are required indoors - restaurants, stores, public transportations, and events.
- In order to enter Switzerland you need proof of vaccination or proof of recently recovering from COVID-19 via a COVID-19 certificate.
- Travelers, including those in transit, must fill up an entry form found here before entering Switzerland. The form can be completed 48 hours before entry at the earliest. Children can be included in the form of an adult traveling with them.
- PCR salive/spittle test will be available in the hotel at the rate of CHF 160- per test which will be sent to a lab and guests will receive results via phone/messages.
- Tests for traveling are provided at the Geneva Airport here and the Zurich Airport here.
