Ensuring Attendee Safety
COVID-19 and Updates on your GRC at Mount Holyoke College

How GRC is Supporting Your Health

GRC continues to monitor venue and state-wide practices, updating venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2021 as needed.

As always, the health and safety of our communities are GRC’s highest priority, and we are working to ensure you’ll be able to join us safely and comfortably in 2021.

Mount Holyoke’s Commitment to You

- Operating level two — also referred to as “yellow” — provides residential students, faculty and staff access to additional buildings, resources and programming on campus. Residential students are able to leave campus only to go to the Village Commons, off-campus health appointments and to use campus-provided shuttles.
- Guests are currently not allowed on campus.
- Anyone currently working on campus is required to test regularly and must wear a mask on campus.

Massachusetts’ Current Regulations (as of March 25, 2021)

- Reopening Massachusetts

- Gov. Charlie Baker had announced last week that the state would be moving into the first step of the fourth, and last, stage of the state’s reopening plan on Monday. Phase 4, Step 1, allows large stadiums, like Fenway Park or TD Garden, to reopen with 12% capacity. Smaller venues, like theaters, can open at 50% capacity, with public event attendance increasing from 50 to 100 people indoors and from 100 to 150 people outdoors.
- Face coverings required in public situations when appropriate social distancing is not possible.
- Hotels, Motels and AirBnBs are now open. Hotels will have to follow a checklist that includes social distancing, hygiene protocols, staffing and operations, and cleaning and disinfecting.
- Travel guidelines lifted for those from Vermont, and Hawaii.

- Information and updates from the Massachusetts Department of Health can be found here.
