Ensuring Attendee Safety
COVID-19 and Updates on your GRC at Mount Holyoke College

How GRC is Supporting Your Health

GRC continues to monitor venue and state-wide practices, updating venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2022 as needed.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC in their registration email. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

As always, the health and safety of our communities are GRC’s highest priority, and we are working to ensure you’ll be able to join us safely and comfortably in 2022.

Mount Holyoke’s Commitment to You

- Operating level two — also referred to as “yellow” — provides residential students, faculty and staff access to additional buildings, resources and programming on campus. Residential students are able to leave campus only to go to the Village Commons, off-campus health appointments and to use campus-provided shuttles.
- Guests are currently not allowed on campus.
- Anyone currently working on campus is required to test regularly and must wear a mask on campus.
