COVID-19 Protocols and Vaccination Requirements at Proctor Academy

GRC continues to monitor venue and state-wide practices, updating our venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2022 as needed.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC in their registration email. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

Additional Health and Safety Practices in Place at Proctor Academy

- Proctor is currently following CDC guidelines for mask use- if you are vaccinated, masks are not required to be worn on campus.
- Proctor’s housekeeping team ensures high traffic areas are thoroughly disinfected throughout the day.

New Hampshire’s Regulations and Information

- Domestic travel within the U.S. outside of New England no longer requires quarantine upon return to NH, although people are recommended to still follow CDC’s travel guidance, including wearing a well fitted face mask while traveling, practicing social distancing, getting tested 3-5 days after travel (with a molecular or PCR-based test), and limiting public interactions after travel (even if not required to quarantine).
- The New Hampshire mask Mandate expired April 16—Gov. said this will not limit private businesses or cities and towns from requiring masks.
- Information and updates from the New Hampshire Department of Health can be found here.
ARRIVAL AND ACCOMMODATIONS

Logan Airport (BOS): Located 100 miles south of Andover.
Manchester Airport (MHT): Located 48 miles south of West Dover.
GRC Chartered Bus: You can reserve a spot on the bus through your MyGRC account and find details about the bus here and click here to see what Concord Coach is doing to protect you.
Rental Car: Click here for GRC’s discounted rates with Enterprise or National Rental Car. Enterprise has a Clean Car Pledge to combat the spread of COVID-19.
