COVID-19 Protocols and Vaccination Requirements at Salve Regina University

GRC continues to monitor venue and state-wide practices, updating our venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2022 as needed.

While the policies listed here reflect those of the venue, GRC attendees are expected to follow guidelines as outlined by GRC in their registration email. GRC policies regarding masking and vaccination status will supersede those put in place by the venue when utilizing GRC event spaces.

Additional Health and Safety Practices in Place at Salve Regina University

- Salve Regina requires all members of its community, including students, faculty and staff, obtain a COVID-19 vaccine for the 2021-2022 academic year and booster for the spring semester.
- Health Services have been testing and monitoring population and provide new policies for social distancing and hygiene practices.
- Multiple hand sanitizing stations all around campus.
- Due to high local transmission rates, masks are currently required for all community members on campus and guests of the University in all indoor settings.

Rhode Island’s Regulations and Information

- Indoor and outdoor catered events are permitted to open to 100% capacity.
- There is no longer a limit on social gatherings.
- Masks or proof of vaccination are required at certain indoor venues, including entertainment venues, retail, places of worship, manufacturing, and offices.
