Ensuring Attendee Safety
COVID-19 and Updates on your GRC
at the Ventura Beach Marriott

How GRC is Supporting Your Health

GRC continues to monitor venue and state-wide practices, updating venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2021 as needed.

As always, the health and safety of our communities are GRC’s highest priority, and we are working to ensure you’ll be able to join us safely and comfortably in 2021.

Ventura Beach Marriott’s Commitment
to You

• The venue has implemented several new cleaning practices, including:
  - Utilizing hospital-grade disinfectants in guest rooms and public spaces
  - Providing hand sanitizer stations are available at hotel entrances, front desks, elevators and in meeting spaces
  - Rolling out enhanced technologies including electrostatic sprayers to sanitize surfaces throughout the hotel

California’s Current Regulations
(as of October 14, 2020)

• California COVID-19 cases and hospitalizations are starting to decline.

• California Gov. has discontinued the ‘watch list’ for California counties. There is a tier system based on positive cases per 100,000 residents to implement new guidelines for businesses opening.
  - Ventura has upgraded from the purple to the red tier.

• Cloth face coverings are not required by law in public spaces, but are highly recommended by the CDC and health officials.
  - Information and updates from the CA Department of Health can be found here.
