at Waterville Valley

How GRC is Supporting Your Health

GRC continues to monitor venue and state-wide practices, updating venue pages on a weekly basis. We are currently working with our venues to implement social distancing practices at our conferences in 2021 as needed. As always, the health and safety of our communities are GRC’s highest priority, and we are working to ensure you’ll be able to join us safely and comfortably in 2021.

New Hampshire’s Current Regulations
(as of April 8, 2021)

- Domestic travel within the U.S. outside of New England no longer requires quarantine upon return to NH, although people are recommended to still follow CDC’s travel guidance, including wearing a well-fitted face mask while traveling, practicing social distancing, getting tested 3-5 days after travel (with a molecular or PCR-based test), and limiting public interactions after travel (even if not required to quarantine).
- Reopening New Hampshire
- On Nov. 19, Gov. Chris Sununu issued a statewide mask mandate requiring the use of face masks in all public places. The mandate took effect Nov. 20 and will remain in place until at least Jan. 15, 2021.
